**Subject:** Seth Tupper: DB comment period and Winona Inn status

I will let Seth know that the comment period was extended until June 19. Even when it will close, will we be able to provide all the comments to him? Will they be posted online at some point?

Also - I assume I still cannot say anything re: The Lodge as it is being signed this week correct?

Lisa

**Subject:** Checking in

Lisa,

Hope you enjoyed your stay in South Dakota. Now that the deadline for written comments has passed in the Powertech matter, I'm wondering if I might be able to obtain copies of the written comments. Mostly I'm interested in any comments that Powertech submitted, but I'd also be interested in other comments if they're not so numerous that obtaining them is problematic.

Also, as you know, I remain interested in the status of The Lodge at Mount Rushmore UIC matter.
